

## Department of Bengali

- Bengali is our mother language. Learning Bengali as a subject would enhance the Bengali culture. It helps the students to learn about their Bengali culture deeply.
- This course also includes the history of Bengali language. Thus the students would know the origin and evolution of their mother language.
- Through this course the students would learn about ancient and modern Bengali Literature which includes novels, poetry, drama, ancient scriptures.
- This course would develop oral and written communication.
- The course includes Bengali grammars thus would help student to use grammatically correct Bengali language.
- It enhances writing power of the students by analysis of the various styles of poetry and prose.
- It helps to grow awareness about political, economical and social scenarios by reading various prose, poetry, dramas of various centuries.
- Reading various texts and scriptures helps students to increase their ability to analyze human behaviour and human nature.
- It helps to change society's prejudices about religion, caste, gender, region and thus helps to address gender discrimination, asterism etc.
- It helps to develop ethics and values in the students.
