8. Purpose / Aims / Objectives of the event:

*The sudden closure of educational institutions in response to the Covid-19 pandemic has necessitated the adoption of online teaching learning strategies. During this period students too have adopted and adapted to the change in pedagogical tools and means. Technological innovations are inexorable and at the same time inextricable from the processes of social change and advancement.*

*The workshop will emphasize on all features of Google Drive, emphasizing on collaborative work, evaluation, own website development, use of Google platform for attendance and LMS, as a whole. Also hands on training on e-module development and publishing the same shall be provided.*

*We are already using e-resources through NLIST, NDLI, EPG Paathshala, E-Shodhganga etc. The workshop shall emphasize on the access and use of digital information.*

*Use of technology which was initially boasted as the best practice of an HEI is now a basic means of communication between the teacher and the taught.*

*Use of ICT in Research, too, is well established. Secondary Data collection and analysis using freeware shall, therefore, be one of the key areas of the proposed workshop.*

*The world has dramatically changed with the incorporation of Information and Communication Technology in almost every field of our social life, and education, too, with an optimum and efficacious use of digital platforms, has undergone a virtual metamorphosis over the last few years. The pandemic has only exposed us to the potentialities and possibilities of information and communication technology (ICT) as a way to see as well as to change the very concept of education in the days to come. The Primary objective of the workshop, spreading over a total of 9 hours, is to motivate the teaching fraternity for enlivening the teaching process with the use of Information and Communication Technology (ICT) and to equip the teachers with the latest assessment tools of higher education.*
