A Thalassemia awareness programme and screening test was organized by P.N. Das College NSS Unit in collaboration with Calcutta School of Tropical Medicine on 12.04.2023. This programme helped students in getting awareness about their social responsibilities and demonstrated enthusiastic participation for the same. Awareness was spread about Thalassemia that if parents are carriers of thalassemia, the child has a greater chance of inheriting a more serious form of the disease. Initiatives were taken to eradicate Thalassemia from the society. Thus, All Students of college got Awareness about thalassemia Checkup. They got to know symptoms and side effects by the presentation of Dr. Madhumita Samanta, Thalassaemia Control Unit, Calcutta School of Tropical Medicine.
